

REVISED NORTHWEST AUSTIN MAPS

DISCLAIMER

The Northwest Austin Coalition (NWAC) has prepared the following two district maps. Our maps are focused on the Northwest portion of the city only. Other areas of the city are drawn to ensure approximate distribution of the city in connection with minority opportunity districts previously identified by Austinites for Geographic Representation (AGR). NWAC is only concerned about the orientation of these two districts and will not advocate for the orientation of other areas of the city.

Distribution of these NWAC maps is prohibited without the inclusion of this disclaimer.

These maps were submitted to the Independent Citizens Redistricting Committee on Saturday, September 28th, 2013 following an NWAC Redistricting Subcommittee meeting held on Thursday, September 26th, 2013. NWAC leaders Ed English, Jimmy Flannigan, Robert Thomas, and Joyce Statz attended. Also in attendance were Mary Rudig (North Austin), Kathy Sokolic (Mueller), and Ken Ronsonette (Mueller).

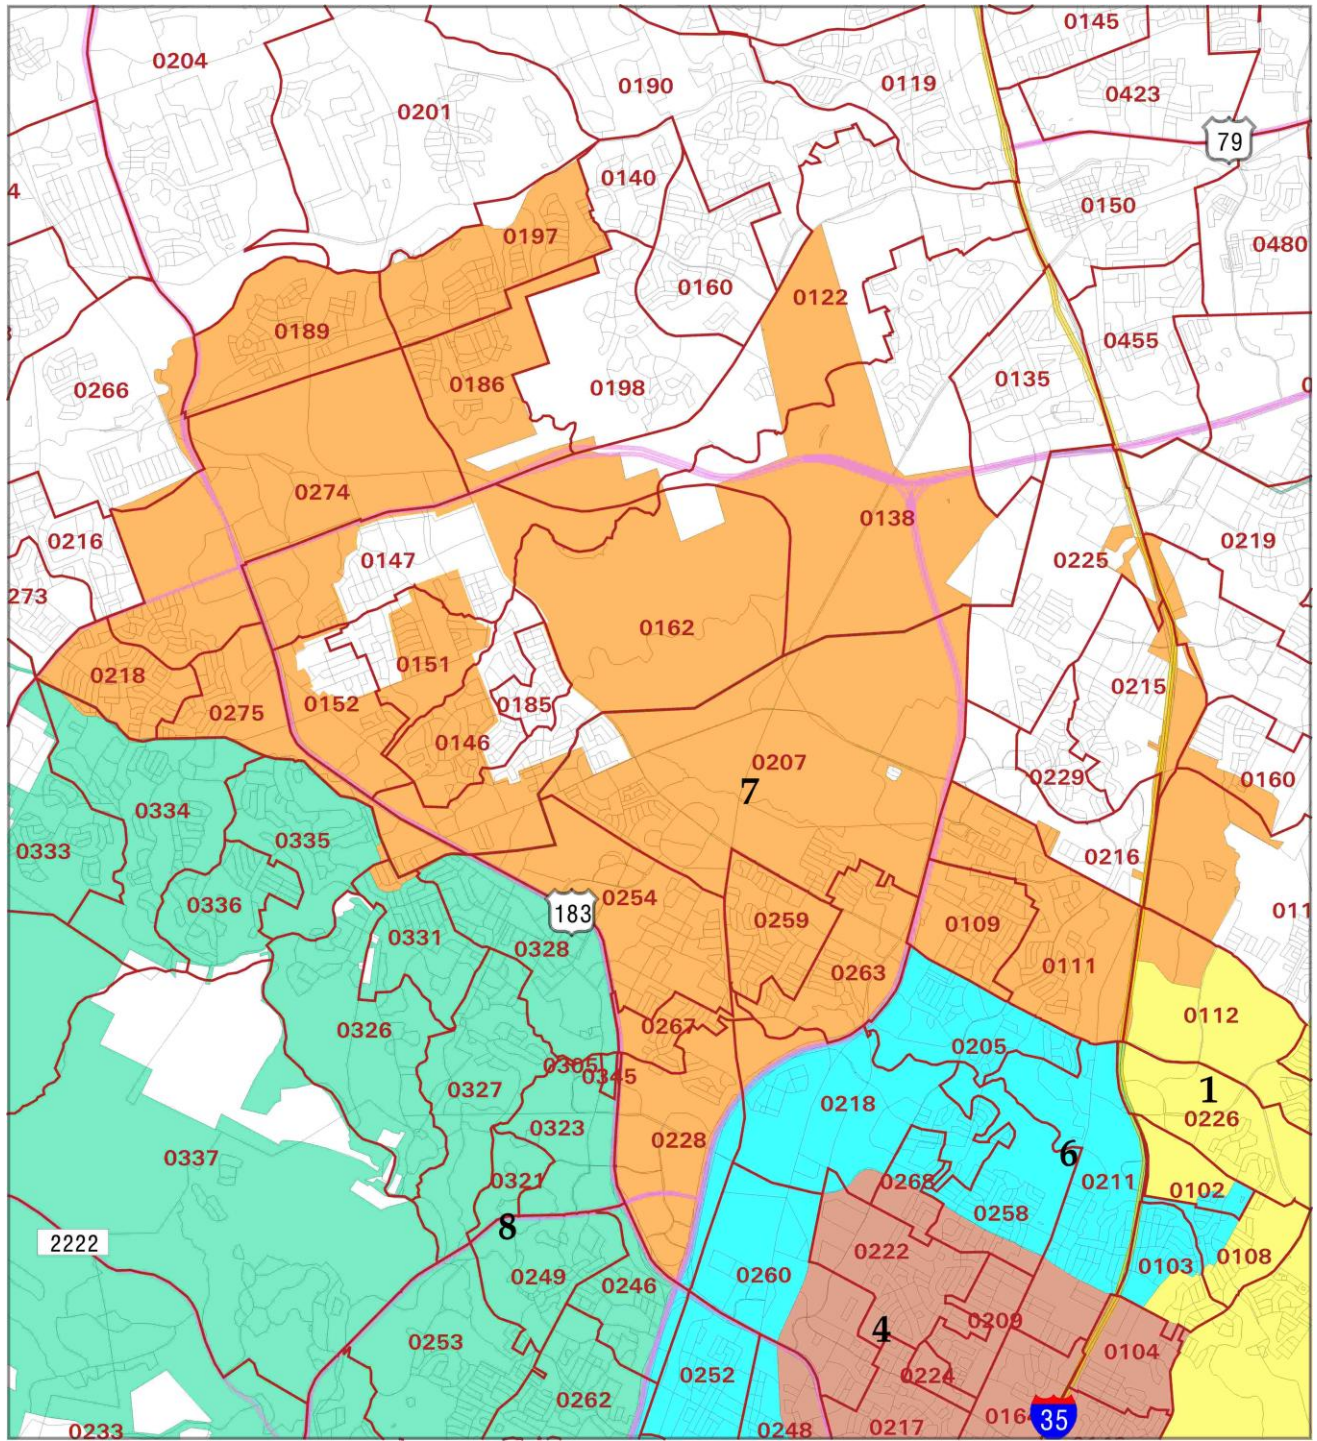

Our Mission: To support leaders in Northwest Austin and address the needs of our communities through collaboration, communication, and education.
